

I Am Anne

by Anne Burgevin

I am the woman who loves every sunrise.
I am the woman who grew up playing outdoors.
I am the woman who waits for the day when roses bloom.
I am the woman who sews clothing and dog beds.
I am the woman who drinks lemon ginger tea.
I am the woman who thinks a lot about numbers.
I am the woman who is raising two women.
I am the woman who listens to the wind and notices the sky.
I am the woman who prefers to make peace.
I am the woman who cuddles with dogs.
I am the woman who always wants to learn more.
I am the woman who watches chocolate melt in hot milk.
I am the woman who still rides her bike to town.
I am the woman who has taken chances.
I am the woman who looks for haiku moments.
I am the woman who does not believe in “no.”
